

# Paper Popcorn Holder

Movie night isn't complete without popcorn! Keep your fresh hot popcorn contained - in a Paper Popcorn Holder. Here's what you need:

## Supplies:

-  12 in. x 12 in. Sheet of paper
-  Scissors
-  Tape

## Instructions:

1. Begin by cutting the sheet of paper diagonally in half, you will be left with 2 triangles.
2. Pull one corner from the long side of the triangle towards the top point of the triangle. Use tape to secure the cone together. Secure with piece of tape.
3. Next roll the remaining paper onto the cone and secure that with tape.
4. If there is a small hole at the bottom of your cone that's oooo-kay! Just make sure it's not larger than a piece of popcorn!
5. Add your favortie popcorn and ENJOY!
